

COT DRAWER INSTRUCTION SHEET

Step 1

Extend the Drawer Runners to its maximum length.

Step 2

Insert one side of the Drawer to one side of the Drawer Runners, and then repeat this step on the opposite side.

Step 3

Once both sides of the Cot Drawer have been inserted, push the Drawer right to the back, to ensure the Drawer is locked into place.

Step 4

To remove the Drawer, simple pull the Drawer out and release the lock on the side by lifting the lever up on one side and down on the other.
