

Bebe Care 'Coventry' cot, \$529.95
This cot offers longevity as it converts to a toddler bed. It has an adjustable base height, and comes in white, teak and walnut.

Childcare 'Lullabye' cradle, \$299.95
If you'd like a bit of extra help in getting baby to sleep, try this rocking cradle, which features a side-to-side gliding motion with no tilting.

The big test **C&M**

Love N Care sleigh cot, \$899
Here's a chunkier design, which also features an under-cot drawer for storing bub's clothes and converts into a single bed and sofa.

IKEA 'Gulliver' cot, \$239
Minimalist design and price, but this cot still covers all the basics and has two settings for the base. It also features a side which can be removed as your baby turns into a toddler.

Touchwood 'Metro' cot, \$994.95
The big storage drawer gets the thumbs up from M&B. It's also a hard working cot, converting from a bassinet to a cot, a child's first bed and a two-seater sofa.

Roger Armstrong 'Luxo Sleep Baby Bed' from Bambini Pronto, \$1,550
A pricier option, but the Luxo should last you through to school, as it also converts to a toddler bed.
